

## Guidelines to register for Centralized Cash Dividend Register (CCDR)

### **Introduction:**

Central Depository Company (CDC) has developed Centralized Cash Dividend Register (CCDR), an eServices web portal which would incorporate details pertaining to cash dividends paid, unpaid or withheld by listed companies. The CCDR will help to maintain history of dividends paid to shareholders by listed companies and access of all such information will be provided to the respective shareholders. This will also ensure a major cost incurred by listed companies towards printing and dispatching of counter foils at the time of processing of cash dividends is eliminated

The web portal will facilitate shareholders of listed companies in retrieving details of cash dividends from centralized register and using the same for their record purposes.
